## SCHOOLS TO DISMISS ACCOUNT OF CIRCUS

Public and High Schools Will Have  
Day Off.

A good many people have asked  
whether there will be school today.  
Circus day has come to be regarded as  
a holiday and it has been wondered  
whether or not the rule would hold  
good again this time. Announcement  
has not been previously made definite-  
ly for the reason that the superinten-  
dent was not in a position to say  
just what would be done.  
The board, however, has held a  
meeting and decided that in the high  
school there will be no school; the  
public school has taken similar action  
and both institutions will make no ef-  
fort to hold sessions. It has been  
demonstrated by past experience that  
it is useless to try and have school on  
the day when the circus is in Phoenix;  
those of the children who can induce

## BRIGHT'S DISEASE

Let there be no evasion—we mean  
chronic and supposed incurable cases  
involving dropsy, albumen and casts.  
They are curable in a great majority  
of all cases.  
Let us cite a typical case—that of  
Mr. R. F. Nitschke, of 1246 Sprague  
Street, Madison, Wis. There had  
been eight physicians on this case  
and it got so extreme that he finally  
had one of the last symptoms; name-  
ly, falling eye-sight. In January,  
1907, the doctors admitted that noth-  
ing further could be done, and they  
sent him to Eureka Springs, Arkan-  
sas. He continued to get worse, the  
dropsy finally reaching the stomach,  
heart and lungs. At one time tests  
showed albumen as high as 75%.  
He learned of Fulton's Renal Com-  
pound and began to take it July 3rd.  
Dropsy began slowly to decline and  
the albumen dropped to forty, then to  
twenty, then to ten, and finally to  
two per cent in May, 1908.  
The patient is now back to his  
employment and is devoting full time  
to his business.  
Patients desiring to know more of  
this treatment can get full literature  
by writing to the John J. Fulton  
Company, 5910 San Pablo Avenue,  
Oakland, Cal.  
Fulton's Renal Compound can be  
had at druggists.  
We desire every patient to write  
us who is not noting the usual im-  
provement by the third week.

For Sale at a Bargain—A bakery,  
good stand and well equipped. A  
dwelling in Tempe, furnished and well  
located. A 40-acre ranch, good house,  
fine shade, close to town. Also other  
city and country property. A. B.  
TOMLINSON, Real Estate Agent, No-  
tary, Tempe, Arizona.

their parents to take them or let them  
go, stay out anyway, and those who do  
attend school gain little for the ab-  
sent ones usually outnumber those  
present and, consequently, the work  
has to be gone over next day.  
At the normal, school will be held  
as usual. Arrangements, however,  
have been made whereby those of the  
students who desire to attend the  
afternoon performance may be ex-  
cused.  
Superintendents of the public and  
high schools state that, as there will  
be no dismissals on any future date for  
circuses or shows of any kind, the  
pupils had better take advantage of  
the show today.

## GOOD RANGE STEERS IN FROM HILLSIDE

Shipped as Far as Phoenix and Driven  
to This Point.

A bunch of three hundred and  
thirty-nine range cattle was brought  
in here night before last. They were  
purchased from Stevens brothers, this  
side of Prescott, by Messrs. Dennis,  
Fogal and Westover, being evenly di-  
vided among them. The steers were  
loaded at Hillside and shipped as far  
as Phoenix. From there they were  
driven to Tempe. Yesterday the bunch  
was driven into thirds and two of the  
smaller bunches were branded. The  
cattle are all two and three years old  
and are in splendid condition. About  
that many more will be brought down  
from the same place in another month.

**SPECIAL TRAINS**  
On account of the circus in Phoenix  
today, the M. & P. will make special  
arrangements for the accommodation  
of traffic. Those who expect to get  
to Phoenix in time for the parade will  
have to take the early morning train.  
The regular 1:50 train will run thirty  
minutes earlier, so that those who care  
to may take it and arrive in plenty of  
time for the afternoon performance.  
In the evening a special will run over  
at 6:40, returning at eleven. A special  
round trip of 45 cents will be made.

**BACK FROM THE FAIR**  
Steve Hughes returned yesterday  
morning from the northwest. While  
away he took in the fair at Seattle and  
visited many other points of interest  
in that section.

## WEDDING IN CHURCH YESTERDAY AT NOON

The Ceremony Took Place Immediately  
Following the Sermon.

A very pretty wedding took place  
yesterday at the Congregational  
church, when Miss Lucile Harden was  
united in marriage to C. A. Keaton of  
Jerome.  
The morning services at the church  
were not varied in the slightest, but  
Rev. Harden so timed his sermon that  
it came to a close promptly at 12  
o'clock. Immediately upon its con-  
clusion, to the strains of Mendels-  
sohn's wedding march, played by Mrs.  
J. L. Johnston, the contracting parties  
entered the room and took their places  
at the altar. The ring ceremony was  
used and the service, though simple,  
was more than usually impressive.  
The church was beautifully decorated  
with pink and green, an abundance of  
flowers forming a large part of the  
decoration.

The bride is the daughter of Rev.  
and Mrs. Harden and, though having  
resided here but a comparatively short  
time, has made many friends in the  
community and has endeared herself  
in countless ways. While she will be  
missed here, the best wishes of her  
many friends attend her. Mr. Keaton  
is a prominent and highly-respected  
resident of Jerome. It is at that place  
that the young people will make their  
home. They left last evening on the  
5 o'clock train for Phoenix and will  
take the northbound train this morn-  
ing.

**FROM UTAH**  
Mr. and Mrs. Alma Davis arrived  
here on the afternoon train Saturday  
and went on to Mesa in the evening.  
Mr. Davis graduated from the normal  
some five years ago and has not been  
in Tempe since. Until a few months  
ago Mrs. Davis was Miss Mary Millett.  
They expect to locate at Queen Creek.

**TALK ABOUT SLEEPING.**  
Women are like men when it comes  
to sleeping. Plenty of restful sleep  
makes a man strong and vigorous,  
and it makes a woman happy and  
beautiful. But both women and men  
can procure restful sleep by using  
Saxine Pills. It is well known that  
nervousness and overwork prevent  
sleep. It is equally well known that  
Saxine Pills produce that delightful  
relaxation that folds one's tired limbs  
in Nature's arms while the uncon-  
scious body draws new life and vigor.  
Saxine Pills are the perfect tonic.  
They are guaranteed. They cost \$1  
a box; six boxes \$5, with full guar-  
antee enclosed. Address or call Elvey  
& Hulet, where they sell all the prin-  
cipal remedies and do not substitute.
